# THEME

WHILE the world is writhing from the pain of fighting nations, and all over the world, "war" is so common that everyone feels the effects of it, the Senior Class of 1943 decided to deviate from the current subject, and choose a more pleasant theme for their year book.

It was indeed a great decision to make, for certainly everyone, in some sense, felt it his supreme obligation not to forget his country and his patriotic duties involved; at least not in such a precarious age as this.

However, when a final conclusion was reached, everyone agreed that in the years to come when he looks back upon this year of war and turmoil, it would be more suitable to have something to remind him of the good things he enjoyed in school life, rather than the depressing realism of worldly infamies. Surely they are more indelible, so why tabulate them on paper?

Thus with a thought for those joyous moments, we choose for the theme of this year's Tiger Lily, "Memories". Not to infer that we are unpatriotic, but only to show that in our hearts, there is still the inbred sense of respect for the past . . .

## DEDICATION

EDISON O. BATES

The power of his personality, and the abundance of his generosity, has long been a deciding factor in the course of our lives in high school. For three years he has helped solve our problems and given freely of his bountiful stores of knowledge. So, in humble acknowledgement, we the Senior Class of 1943, dedicate to Mr. Edison O. Bates, this year's edition of the Tiger Lily.

SUPERVISING PRINCIPAL

No senior class in the past has ever had the opportunity to live at a time when such momentous events were happening as those that are taking place at the present time.

Many of you will be called into the armed forces of our country to participate in our fight to preserve those ideals on which our great nation was founded. Those of you who are not called into military service will undoubtedly be actively engaged on the home front just as you now are in securing an education. Such service is just as important to the winning of the war and the peace which will follow as any other type of endeavor.

When this terrible world catastrophe is over and we resume our peacetime way of life, all the initiative and energy we possess will be needed to plan a world economy and good will among nations that will forever prevent such a useless waste of life and property as is now being caused by the greed of men who are endeavoring to rule the world by brute force.

Always remember, that although you may have left our school, our interest in your success and welfare will remain.

Our best wishes go with you and may God bless you abundantly.

Sincerely,

Fred N. Hardy

## BOARD OF EDUCATION

To the members of the Class of '43 and to the other young men and women of the student body:

As President of the School District of the Borough of Port Allegany I feel honored to have been requested by the Editors of the "Tiger Lily" to write a few words for your Year Book.

To many of you these four years in our High School end your formal educational activities; to many of you the accomplishments of these years are but the foundation for later educational endeavors; to all of you they have been highly important years.

If your present school year has been successful, the members of your School Board can feel that they are adequately repaid for their small contributions of time and energy in carrying out the duties of their offices.

On behalf of the people of Port Allegany and the surrounding Districts who are interested in our School and its work, I wish to extend congratulations to the members of the Class of '43 on completion of your prescribed courses of study; to the membership of the other classes, the sincere hope that you will continue to maintain the high standards of scholarship and character established in the past.

# CLASS HISTORY

Memories—yes, the class of '43 has many things to remember. Our years in high school have been well spent and have yielded to us much happiness, although at times we forget to appreciate that which has been given to us. So let us pause for a moment and remember the things which we will never forget.

In our sophomore year we started out with the usual "greenness" to be expected. We kept our chins up and weathered the horrible experience of initiation which really turned out to be fun. Then we buckled down with full realization of what the seniors had done for us. We chose our class officers wisely and they brought us through the first year reaping the full benefits of that which was ours to enjoy. The topping event was the Sophomore Prom which we gave to show our appreciation to the seniors.

It was great to be juniors and out of the "baby class" forever. Our work became more difficult and December 7th made things a little harder for all of us but, nevertheless, we drove on, with greater determination than ever, to please our faculty and families. It was during this year that we proudly became owners of our class rings and sadly but festively we bade the seniors farewell with the Junior Prom.

In 1942 we took up our duties as seniors. We all admitted that it was an honor and we tried to set a good example for our under-classmen. We worked hard in October selling magazine subscriptions. Because of full cooperation and an unusual amount of ability, we topped all previous records. We sponsored dances throughout the year, most of them being real "jive sessions." In December, we successfully produced "June Mad". The sophomores honored us with the Sophomore Hop and the juniors made us welcome at the Junior Prom. Then came the thrill of graduation with laughter and a few tears, but we had done our job and were proud of it.

In closing this history let us remember that as freshmen we chose the motto "We can because we think we can", so that as we go along we can help make this world into the right and beautiful thing that it is meant to be.

## CLASS HISTORY

We've been told that the Junior class is most fun.....At our first class meeting today we elected Don Cooper as our class president.....Tears are shed as Coach Maglisceau leaves our Junior History Class.....The football season opened with the tying of Smethport 7-7.....Oh, happy day.....And as the season advanced we had other victories celebrated at the annual Football Banquet.....Here's to "Moon" Olson's success as next year's captain.....Everyone looks stuffed.....Why not, it's Thanksgiving.....Santa Claus came to my house last night.... Now those exams.....moannnnnn.....The girls needed First Aid for the First Aid exam.....At last we did it! We changed our class rings. Our new ones are very attractive.....Basketball season is now well under way. Four Junior boys represent our class on the Varsity squad.....Prom date has been set for May 21.....Committees were chosen for the big event.....Everyone's dressed up. Why? Group pictures are being taken for the "Tiger Lily".....The band concert was better than ever this year.....No wonder! There were nineteen Juniors participating.....Everyone's in the mood for the Prom now. Spring's here!.....It's over, but the students of Port High will long remember the Prom of '43.....These last few days are not so easy.....By the way, did you get exempt?.....Report cards out for the last time.....Please sign my Tiger Lily.....We hate to see them go but it's rather a nice thought to think that we're the upper, upper, upper classmen now.

MISS SNYDER

There are twenty-seven members in this year's Press Club. The Club, which in previous years included all three classes, is composed of only juniors and seniors.

Bi-monthly meetings were held on Tuesday with different members in charge of "The Bugle" each time. Money from the treasury was spent for cartoons which increased the popularity of the paper.

Regular columns such as "Timely Tips", "Pet Peeves", and "Who's Who" continue, while new ones such as "Sniffy Pup", the "Grapevine" column, "Dear Moitle", a letter in Brooklyn dialect, and "Who? Why? When? and Where?", happenings in rhyme came into being.

During the year, Assembly entertainers were interviewed by members of the Press Club. Some of the noted performers were "The Manhattan Singers", Mr. Grathwell, Julia Shlemon, and Dan Stiles.

The St. Patrick's Day party, which is now an annual event for the Press Club, was held at the Kitchen Inn on this holiday. Each member invited a guest and a good time was had by all.

At graduation as a final remembrance, the seniors were given tokens for helping to make "The Bugle" a success in 1942-43.

The Activity Council is composed of eight members elected by the student body. The members of the council for 1942-43 are: Walter Johnson, Betty Belle Price, and Marjorie Smith, who represent the senior class; George Keith, Donald Cooper, and Andrew Olson, who represent the junior class, and Herbert Doloway and Steven Romanio, who represent the sophomore class.

The duties of the members are to take care of the finances of the organizations of the school, conduct the Junior Red Cross work, and carry on any other duties that will benefit the classes or the school as a whole.

One of the most outstanding things the Activity Council participated in this year was the selling of War Stamps and Bonds. Every Monday and Thursday, at least two of its members dutifully put his or her work away, and sold stamps to the student body and faculty.

Of all the years of existence of the Biology Club, this one seemed to be the most significant of any, with the exception of the year it was started back in 1933.

First of all, its tenth anniversary was celebrated at Lynn Hall where all the members met for a pancake supper. "Bones" Kio was the chief cook and bottle washer, and Don Cooper arranged a unique program.

The mid-season was high lighted by the formal dedication of a flag to the former members of the club, who were then in the armed services of our country. On the flag there is a star for each one. The ceremony was carried out with every member of the Club participating.

By the end of the term, the Club had completed its greatest achievement of the year, when the last sign for its nature trail was hung on a huge towering oak tree. This accomplishment has been a coveted goal for many years.

Throughout the seasons the Club was constantly entertained by parties, movies, and hikes, which all added to a year of success and enjoyment.

Under the able leadership of Mr. Roderick, the Mixed Glee Club had a very special year. The members practiced every Wednesday afternoon and their efforts shone forth in one concert given on Tuesday evening, December 22, and another given in the spring.

MISS SNYDER

The Port Steno Club is composed of nineteen members who meet semi-monthly under the supervision of Miss Snyder.

During this year's period, the members have made programs for the Senior Play, "June Mad", programs and tickets for the Football Banquet, programs for various chapel programs, Men's Choral Concert programs, and each student made one or more artistic typing design.

Part of the work of the Club has consisted in doing secretarial work for various teachers. Each member worked for five different teachers during the year so as to obtain experience in different lines.

During the last semester, a course in Office Practice was given the students to aid them in getting positions in the business world. Students learned more about letter writing and important things about office work. Each student made a scrap-book for this course.

The Club activities were brought to a close with a party and a tour of the North Penn Gas Company.

The Library Club proved to be very active this year and began the term with an initiation party for the ten new members. Needless to say, a pleasant time was enjoyed by all. The Club was off to a good start, and the year ahead looked as though it would be an eventful one.

But then, about mid-season, when everything was functioning nicely, Mrs. Becker dropped the sad news that she was leaving to join her husband at Camp Forest, Tennessee. Everyone regretted to see her go, but soon the vacancy was filled by a lady whose potentialities and capabilities were more than enough to insure the Club's continued success. Her name—Mrs. Sampson.

By Christmas time, the scrapbook of P. A. H. S. events, begun the year before, was finished. It now rests on the library shelves for observation.

On January 29th, the Club held a very successful Dime Dance after the basketball game with Smethport. Other social events followed, and the year was topped off with a large formal dinner party.

MISS DENNIN

The S. P. Q. R. Club's aim is to increase the knowledge of Roman and Greek life that we may compare those customs with ours of today. Our project for the year was a scrap book on Roman activity and belief.

In our semi-monthly meetings we strive for a better understanding of Latin games. All the members joined the National Junior Classical League and have purchased additions to their pins.

To begin our social year the usual initiation was held in October at the High School Gymnasium.

Other outstanding functions were the Saturnalian party, the Roman Christmas, and a spring picnic held to commemorate the life of Roman people.

To end our successful year, a Dinner Dance was sponsored at the Kitchen Inn. Each member invited a guest and enjoyed dancing and games after the dinner.

MISS PARKER

The Tri-Hi-Y began its year with thirty-two members. On October 14, seventeen new members were initiated, and the candlelight induction service was held. Refreshments were served by the old members.

At Thanksgiving time the girls made baskets for the needy. These baskets were distributed by the school nurse.

A Christmas party was held at the home of Jeanette Nelson. The girls brought box lunches and exchanged gifts.

The Club sponsored a dues contest which ended the last of January. The members were divided into two teams with Carole Herger and Hope Healy as captains. Hope's team won the contest.

After basketball season, the Club sponsored "Tea Dances" in the gym. These were held once a week after school. Five cents admission was charged to help pay for records.

At the meetings, the devotions were given by different members, each one having a turn at it. The Club has tried to create, maintain, and extend throughout the school and community, high standards of Christian character.

Three raps of the gavel by President Simar and the meeting comes to order. Mr. Cherrington: "Where's Fortner?" Slam! goes the gavel.

"Here I am", replies Fortner, as the remains of an ice cream cone is devoured. And so the meeting goes on with the usual business of the day, and a program.

Due to the world situation, the club has cancelled its field trips and judging contests for the duration. But before the gas rationing went into effect the club was able to make one field trip to Michelitsch's Dairy to survey for strip cropping.

During the past summer, the Port Allegany flood which everyone knows about, disrupted or destroyed many of the projects which the Future Farmers had under way. But in spite of the many difficulties encountered throughout the year, our club is an active and enjoyable one.

# FOOTBALL REVIEW

Since almost everyone in Port Allegany suffered from the flash flood of July 18, the football squad of "42" was no exception. It was a sorry looking sight that confronted the eyes of the gridiron devotees on the first day of practice last September 6th, with the playing field virtually destroyed, the field house a pile of rubbish, and most of the equipment down the Allegheny River. At this crisis, Mr. Herger offered the school the Pierce Glass Co. field to play on, thus making it possible for Port to have a football team this year.

With about thirty members, including ten letter men, the team started out under the direction of Mr. Maglisceau, who unfortunately had to leave, after only two games had been played. Mr. Scott then took over the headaches of a football coach.

The opening game was played at Smethport on the usual water-soaked field. Two former members of the Port team, Jim and Louie McMahan, were playing for Smethport, the traditional rival of Port Allegany. Smethport gained a seven point lead in the first quarter, and held it until the last quarter, when Port scored, and converted the extra point ending the game in a seven to seven tie.

In the first game with Coudersport which Port won, the team lost the services of Bruce Pfeil and Ollie Demaret, who suffered leg injuries.

The Emporium game was one of the highlights of the season. Up to the game with Port Allegany, the Emporium team, which outweighed and outclassed Port, had not been scored upon. The Gators scored a touchdown in the first quarter, and held the Red Devils six to six at the half. In the second half, however, the weight of the Emporium team began to show, and the Red Devils finally won 26-6.

The Gators played their final game on November 11 on the Pierce field, with their arch enemy, Smethport. Here, too, the weight of the Smethport line showed through, and after a hard-fought game, Port succumbed, 13-6.

The year ended with a Football Banquet given by the mothers of the football squad at the Masonic Hall, on December 9, 1942. Coach Scott, Captain Kelsey, Assistant Coach Chitester, and Manager "Bones" Kio gave interesting talks.

The long awaited letters were given out, and the Captain-elect for next year was announced to be "Moon" Olson. Thus ended another football season of Port Allegany High School.

## BASKETBALL

COACH..... MR. SCOTT

CAPTAIN..... OLIVER DEMARET

MANAGER..... LARRY GRIFFITH

Basketball is another of the sports so ably handled in the curriculum of the Port Allegany Senior High School. This year, the team coached by Monte Scott and captained by Oliver Demaret, was somewhat handicapped by the devastating flash flood of last July. For this reason, the team got off to a belated start, and was seriously lacking in equipment. The conditions of this present world conflict of nations prevented the Port cagers from playing as many games as in previous years, but in every encounter the 'Gators played a clean, well-fought game.

The season got off to a rather poor start by our losing the first game to the Smethport five, 13-29.

Seeming to get back on its feet again, the team took the next game from Otto Township, 27-25, only to lose the following encounter with Coudersport.

With Eldred, however, the home five won back some of the failing faith of its fans by taking the game 27-21.

In the following three encounters, the 'Gators succumbed to Mt. Jewett, Smethport, and Otto Township respectively, the scores being, 23-40, 14-25, 19-35.

Port staged a comeback in its second game with Coudersport, by winning 32-30, but lost the second game with Eldred 11-27.

In the final game with Mt. Jewett, the valiant 'Gators succumbed 23-36.

The services of Orville Lamont, Oliver Demaret, and John Tauscher, senior members of the team, will be sorely missed next season.

## FACULTY ADVISER

MISS HENNING

Practically anything that is played on a gym floor is played in the Gym Club; even that may be putting it mildly. In the girls' club, they attempt everything from tumbling on the mats to throwing darts. The whole object, of course, is to give those girls who are interested and have athletic ability, a chance to develop themselves and at the same time have fun and enjoyment.

Then, after eight months of practice in the gym, the club members stage a gym show. This is truly a gala event for it is always characterized by difficult acts and stunts, and requires above all, dexterity and precision, which is gained only by long months of patience and practice.

Now, the Girls' Gym Club is not entirely a place to go to develop muscle fibers, for it has moments of relaxation too. At different intervals, parties were held, and in one instance the Club held a stag dance in the gymnasium where everyone danced to the music of recordings, and had a peach of a time pretending.

-------------	--------------

This year a system similar to that of last year was used. With each class supporting two or more teams, strong competition was offered and the seniors really had to fight for their wins. However, the general consensus of opinion was that the team under Jeanette Nelson's captaincy deserved the highest rating for its performances.

Aside from the usual intra-mural basketball feats, the girls met new and more interesting rivals when they inaugurated the idea of playing the boys' junior varsity. Only this time their adventures in the basketball realm were thwarted, for in two contests they had with the boys, the girls lost by a very wide margin.

Still, in such games as these, where brother played sister, and girl played boy-friend, the point wasn't so much the winning of the game, as having fun, and supplying fun and merriment for others. After all, that is really the practical reason for all athletic contests.

Frank: "Does that horse ever kick you?"

Burr: "No, sir, he aint yet. But he frequently kicks the place I recently was at."

Brownie: "When ye're licked in a fight, you ought to say you've had enough."

Bill: "Sure if I can speak at all, I'm not licked."

Gene: "Say, you must be sick. You look terrible."

Gotch: "And I feel terrible. I should have known those English peas and German noodles that I ate for lunch wouldn't agree!"

He's so big he has to fall out in a column of threes.

Postman: "Does this package belong to you? The name is obliterated."

Richard: It can't be mine. My name is Thompson."

Bozo: "Didn't you hear me yell for you to stop?"

Patty: "No, Sir."

Bozo: Didn't you hear me whistle?"

Patty: "No, Sir."

Bozo: "Didn't you see me signal?"

Patty: "No, Sir."

Bozo: "Well, I guess I'd better go home. I don't seem to be doing much good around here."

Jim: "Looks like a smart dog you got there."

Margery: "Smart- All I gotta say is, 'Are you coming or aren't you?' and he either comes or he doesn't."

A loaf of bread is a necessity. Necessity is the mother of invention. An amphibian tank is an invention. Therefore a loaf of bread is the mother of an amphibian tank.

A small worm was crawling along a road one day. The sun was very hot, and he stopped for a breather. Suddenly he noticed another worm come up next to him.

"Honey," said the first worm, "I could go for you. What say we two get married?"

Don't be silly," answered the second. "I'm your other end."

To tax is to burden. A burden the hand is worth two in the bush. A bushover is an easy customer whom you can tax.

"And that, my son, was how the first World War was won."

"But, Pop, why did they need all the other soldiers?"

"Where's ya brother?" said an office boy to an elevator operator in our building.

"In Australia."

"Cut the kidding."

"Oh, my *other* brother—he's at lunch."

Pete: "What have I got here?"

Mr. Roderick: "Three Navy Patrol bombers."

Pete: Pete looks carefully into his hands, "Nope."

Mr. Roderick: "The Empire State Building?"

Pete: "No."

Mr. Roderick: "The Philadelphia Symphony Orchestra?"

Pete: Pete looked into his hands again, and said slyly, "Who's conducting?"

## EVOLUTION OF THE AUTOMOBILE

1940—No running boards.

1941—No gear shifts.

1942—No car.

To laugh is to be free from worry. He who doesn't worry lives a long time. To live a long time is to last. Therefore he who laughs, lasts.

I love you; therefore I am a lover. All the world loves a lover. You are all the world to me, therefore you love me. Simple, isn't it?

Dames are pushovers for gay caballeros. Caballeros are athletes in Spain. Athletes in Spain throw the bull for diversion. Therefore dames are pushovers for bull-throwers.

The Kentucky Derby is a famous horse race. But sometimes it rains in Louisville. Therefore a man's best friend is his mudder.

In what way is a Jap like a girdle?  
They both sneak up on you, and it takes a Yank to pull them down.

What is an icicle?  
A drip that got caught in the draft.

## DIFFERENT

Overheard in an air raid shelter during a blackout:

He: Somehow your kisses seem different tonight, Mary.

She: Maybe it's just because my name is Violet.

## FORT DIX DIALOGUE

Jim: "Lemme take your pen."

Stim: "Sure."

Jim: "Got some paper?"

Stim—"Here."

Jim: "Going past the mail box?"

Stim: "Sure."

Jim: "Wait till I finish this letter, will you?"

Stim: "Sure."

Jim: "Got an envelope?"

Stim: "Here."

Jim: "Thanks; what's your girl's address?"

Being a comedian is funny business. Funny business usually means something is fishy. Fish have quite an odor. Comedians stink!

Drill Sergeant to Rookie: "Wipe that opinion off your face!"

From the knitting corner: "Remember girls, Pearl Harder!"

# SOCIETY

## EVENT— SOPHOMORE RECEPTION

TIME—OCTOBER 10, 1942

PLACE—HIGH SCHOOL

Frightened girls dressed in gym suits, hair braided, and fearless boys dressed in skirts, ribbons in their hair . . . all pay homage to "OLLY", as the keeper of Hades . . . dancing, doughnuts, and cider in the gym ended the Soph's horror night.

## EVENT— FOOTBALL BANQUET

DATE—DECEMBER 9, 1942

PLACE—MASONIC HALL

Don Kelsey gives captainship to "Moon" Olson for year of '43 . . . Don Roderick, toastmaster for the annual event given by the mothers . . . the mothers' speech given by Mrs. Kelsey . . . "Bib" Jewart the third "4 letter man" in Port High's football history . . . speeches given by Coaches Scott and Chitester . . . dancing to records, sweet and swing . . . everyone left with hopes for an equally good football team and banquet next year.

## EVENT— FACULTY CHRISTMAS PARTY

TIME—DECEMBER 18, 1942

PLACE—KITCHEN INN

The third of the Faculty parties, Miss Rhodes, General Chairman . . . Miss Parker . . . Program Committee . . . delicious Christmas dinner; no duck, which pleased Mr. Hardy! Singing led by Mr. Roderick.

## EVENT— THE SWEETHEART HOP

TIME—FEBRUARY 20, 1942

PLACE—HIGH SCHOOL

Sweethearts galore and lots of "stags" too . . . Valentine decorations . . . floor show put on by boys; "Pete" Keith their leader . . . punch and cookies served for refreshments . . . a fine example of the Juniors' ability.

## EVENT— SOPHOMORE HOP

TIME—APRIL 30, 1943

PLACE—HIGH SCHOOL

The first of the Soph's social gatherings . . . music that made everybody want to dance . . . decorated in the senior's colors . . . all comers decked out in new and fetching clothes showed that spring is really here . . . a very entertaining program given during the intermission . . . another Hop over and another one coming up.

## EVENT— JUNIOR PROM

TIME—MAY 21, 1943

PLACE—HIGH SCHOOL

Another of the Juniors' great successes . . . familiar couples seen dancing under the maroon and white senior colors . . . first rate entertainment and re-freshments . . . pretty spring formals . . . we missed the Senior boys who were taken by "Uncle Sam" in April . . . after the great event, many couples strolled home reluctantly!

Moderato

Al- though Yale has al- ways Fav- ored  
The vi- o- let's dark blue,  
And the gen- tle sons of Har- vard  
To the crim- son rose are true,  
We will own the li- ly slen- der,  
Nor hon- or shall it lack,  
While Port High stands de- fen- der  
of the Or- ange and the Black.

## II

Through the Four- long years of high school  
Mid the scenes we know so well,  
As the mystic charm to knowledge  
We vainly seek to spell,  
Or we win athletic victories  
On the Football field and track,  
Still we work for dear old Port High and  
The Orange and the Black.

## III.

When the cares of life o'ertake us  
Mingling fast our locks with gray,  
Should our dearest hopes betray us  
False Fortune fall our way;  
Still we banish care and sadness  
As we turn our memories back  
And recall those days of gladness  
Neath the Orange and the Black.

# AN APPRECIATION

The members of the senior class and Tiger Lily Staff are very appreciative of the assistance they have received from several sources this year.

We say "hats off" to Miss Ruth Hilton for so efficiently and cheerfully typing our copy for the Tiger Lily.

At the time of the Senior Class Play, there were two unsung heroes about the school. They generously made and erected the stage set for us. They have added to the fullness of our school life. In recognition of these facts, through these brief lines, the Senior Class of 1943 express their gratitude to these men behind the scenes, Mr. C. M. Brown and Mr. Jack Williams.

Finally, the Senior Class of 1943 sincerely thanks the advertisers for their help in making this Tiger Lily a financial success. We request all who are interested in this book to patronize these friends who have aided us in our work.

## GOD BLESS AMERICA

While the storm clouds gather

Far across the sea,

Let us swear allegiance

To a land that's free;

Let us all be grateful

For a land so fair,

As we raise our voices

In a solemn prayer.

God bless America,

Land that I love,

Stand beside her and guide her

Thru the night with a light from above;

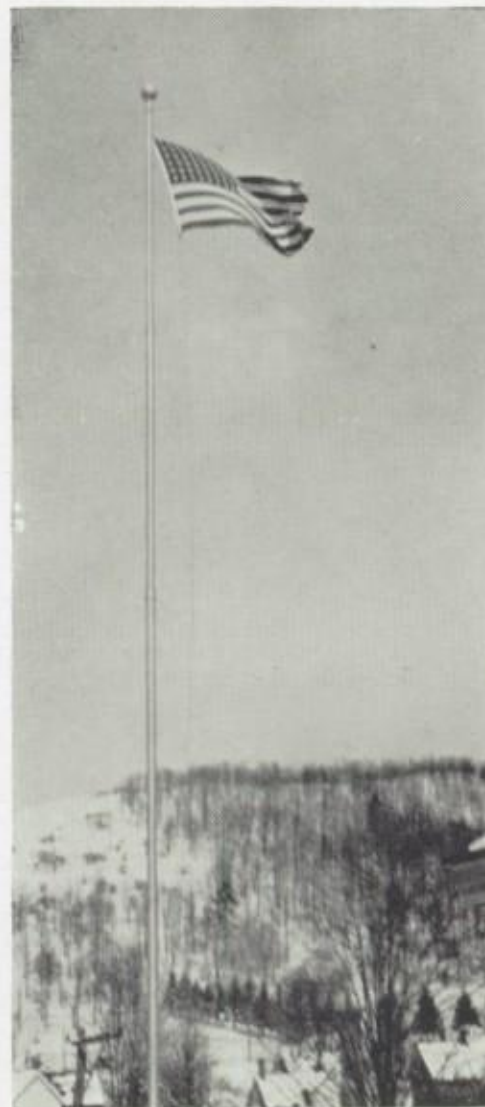

From the mountains, to the prairies,

To the oceans white with foam,

God Bless America

My home sweet home.

—Irving Berlin

AND  
WRITE THE PEACE

Young people graduating from high schools all over the country this year are the future hope of our country.

Many will be called upon to take specialized college courses—to work in war industries and to serve in the armed forces of our country.

Any of these endeavors will require good eyesight. High school students can start now to conserve their eyesight for years in the future. Just follow these few rules:

1. Have enough light for whatever work is being done—whether in school or at home.
2. Avoid glare—direct the light correctly.
3. Consult a vision specialist at the first sign of eyestrain.

# CONGRATULATIONS !

To the graduating class of Port Allegany High School. This year, as you embark upon life's highway, the outlook is uncertain and war-clouded. Some of you will enter the armed forces; others will affiliate with defense industry; many will join the home front — all with but one definite purpose — VICTORY !

Wherever you go and whatever your choice of duty, we extend to you our sincere best wishes and trust that you will always cherish in your memory McKean County — its fine people and its high quality products.
